## ARCHDIOCESAN VIRTUS SAFE ENVIRONMENT TRAINING

As part of an ongoing effort to help create and maintain safe environments for all children and youth,  
and to protect all of them from sexual abuse, the Archdiocese of Atlanta provides a prevention program.  
This training program is a vehicle through which parents, teachers, catechists, and youth ministers give children  
and young people the tools they need to protect themselves from those who might have the intention of harming them.  
(The material used for this training is available for review upon request in the Religious Education Office.)

- I give permission for my child/children to attend the training
- I decline to grant my approval for my child/children to attend the training; however,  
I understand that as the primary educator of my child/children, the church requests  
that I provide such training to my child/children within the family
