

St. John Neumann Basketball Program/Catholic Metro League of Atlanta

The philosophy of the Catholic Metro League of Atlanta (CMLA) is to provide an environment rich in sportsmanship and fair play where kids are taught virtues (especially courage, charity, and humility) and the fundamentals of the game and afforded the opportunity to play basketball in grades 3-8 free from tryouts or cuts. Ensuring that every child within the CMLA has a positive athletic experience is paramount to our success.
